With a view to ensure inclusion of the rural poor in the growth process, the Ministry of Rural Development, Government of India had formulated several schemes specifically targeted at rural BPL. Among these, the Swarnjayanti Gram Swarozgar Yojana (SGSY), launched on 1st April 1999, aims to bring the assisted families (Swarozgaris) above the poverty line by ensuring appreciable sustained level of income over a period of time. This objective is to be achieved by inter alia organizing the rural poor into Self Help Groups (SHG’s) through the process of social mobilization, training and capacity building and provision of income generating assets. The SHG approach helps the poor to build their self confidence through community action. This process would ultimately lead to the strengthening and socio economic empowerment of the rural poor as well as their collective bargaining power.

Following the recommendations of an Inter-Ministerial Group (IMG) constituted to address the issue of capacity building and training, the Special Projects for Skill Development of Rural Youths under Swarnjayanti Gram Swarozgar Yojana (SGSY) was designed to equip the unemployed rural youths from the BPL Households with marketable skills, which would enable them to either secure placement in the industry or pursue sustainable self employment opportunities through micro enterprise.

These programmes were aimed at delivery of training, largely through the government machinery, supported by some civil society participants. Under special project component of SGSY, placement linked skill development programme was taken up on pilot basis through public private partnership (PPP). In view of success of the pilot projects, efforts have been made to up scale the skill development programme as it was felt that regular wage employment to at least one member of rural BPL family will enable it to come out of poverty. In this perspective, MORD has made concerted efforts in bringing about paradigm shifts in the delivery mechanism and in involving industry stakeholders, besides strengthening the process through output linked support. MORD has so far assisted several PPP or private sector led initiatives emanating from industry, civil society organizations etc.

II. Objective of Special Projects:

The objective of each Special Projects for Skill Development would be to ensure a time-bound training and capacity building programme for bringing a specific number of Below Poverty Line (BPL) families above the poverty line through placement ensuring regular wage employment. Salient Features of this programme follow:

1. Strategy & Approach

   - Placement Linked: Assured placement for at least 75 % of the trainees. This is a demand driven programme and one of the main pre-requisite of the program is the commitment of the PIA/industry to employ the trained persons.
• **Physical infrastructure**: No new infrastructure creation is supported by MoRD under the Program. Leverage and utilization of existing infrastructure and facilities for operation of training centers is the fundamental principle. This enables appropriate use of underutilized infrastructure and helps immediate start of the training programme in decentralized locations.

• **Machinery and Equipment**: The PIA has to arrange for requisite machinery and equipments on its own or from the perspective employers to the extent possible on lease/rent or as contribution/participation of employer/PIA.

2. **Training**

• **Training Content**: The PIA has to ensure innovative content development with inputs from the industry to ensure employability as per current industry practices. Course/curriculum should preferably be designed jointly with prospective employers/industry. Training and course content into local languages has to be ensured to enable better absorption by BPL youth who may not have exposure to English.

• **Skill sets**: The objective of the program is to impart skills necessary for regular employment, so that the initial wages are not less than the prescribed minimum wages. In addition to technical skills, Soft Skills are also to be imparted to beneficiaries to face transition challenges of moving from an agrarian backdrop to the industry environment.

• **Training Partners**: Partnership with training agencies and employers which have aptitude and capability to conduct training and placement of rural BPL youth after certification acceptable to the industry is solicited.

• **Course Duration**: Preferably short duration of upto three months so that the opportunity cost of being away from productive work opportunities during training period are minimized.

• **Certification and Assessment of trainees**: Independent certification and assessment by third party agencies acceptable to the industry or employers is mandatory to ensure high quality standards and employment.

• **Trainee accommodation**: Wherever necessary, boarding & lodging facilities are to be provided to the trainees by the PIA so that BPL youth in remote locations can be covered. In other cases, trainees are to be provided with to and fro transport and food.
• **Mobilization and Selection of Trainees:** All the trainees in the age group of 18-35 years with requisite aptitude depending upon the trade or job requirements are to be selected from rural BPL families, as per the list maintained by the District Rural Development Agencies (DRDAs) / State Government. The Project Implementing Agency (PIA) will take appropriate awareness and publicity campaign in local electronic/print media and organize meetings especially in SC, ST and minority pockets in rural areas for selection of beneficiaries. Priority should be accorded to SC/ST certificate holders, minorities and women headed rural BPL household duly verified by the Panchayat / Block/ Tehsil functionary as BPL may be treated as sufficient for candidate selection by PIA/DRDA. The Implementing Agency will ensure that out of the total beneficiaries covered, a minimum of 50% will be from SC/ST. Women and minority categories has to be accorded a priority in selection of candidates depending on demographic profile and trade requirements.

• **Preliminary Screening of Candidates:** The trainees mobilized have to be put through an assessment process or other basic screening tests to assess the need and aptitude that are fundamental to the trades in which training is to be imparted and also to reduce mid course/post training dropout of candidates before placements.

3. **Funding**

• MoRD provides funding support up to 75% of the training cost, with a maximum total project cost of Rs.15 crore per project. Balance is to be mobilized by the Implementing agencies through contributions from State Government, industry and other sources.

• In Special Projects where 25% contribution towards project cost is borne by the implementing agency, employer, industry or sources other than the government, utilization certificate is to be furnished for the project would only be in respect of the government grant.

• In such projects, audit reports should reflect the entire Government Grant (central and state share and interest thereon) and cash contribution if any from other sources.

• In the case of contribution in kind by the Implementing Agency, the Auditor will provide a separate certificate indicating the valuation of cost components borne by the IA. The Audited Accounts, however, need not reflect this as part of receipts.
The project cost breakup comprising of required parameters shall be submitted with the proposal. Cost break up given by the IA will become part of project performance requirements. It has to be certified by the Auditors of IAs as having been implemented as indicated in the proposal.

Utilization for claiming 2nd and 3rd installments will be seen with reference to the total expenditure in cash or kind. The contribution of the IA shall have to be proportionate to the central/state share as per approved estimates.

4. Cost Norms

The cost norms for various components of the programme are as under:

<table>
<thead>
<tr>
<th>Sl No.</th>
<th>Components</th>
<th>Maximum Cost- (Rs. per beneficiary)</th>
</tr>
</thead>
<tbody>
<tr>
<td>1.</td>
<td>Training Cost, mobilization of beneficiaries, Curriculum, Training of Trainers, Utilities, Infrastructure, Equipments, Teaching aids, raw materials, etc.</td>
<td>Irrespective of sectors or coverage, up to Rs 12100* per head or cost worked out in the project report whichever is less.</td>
</tr>
<tr>
<td>2.</td>
<td>Boarding &amp; Lodging or food and to and fro transport of trainees</td>
<td></td>
</tr>
<tr>
<td>3.</td>
<td>Assessment &amp; Certification</td>
<td></td>
</tr>
<tr>
<td>4.</td>
<td>Placement Linkage</td>
<td></td>
</tr>
<tr>
<td>5.</td>
<td>MIS &amp; Tracking/monitoring</td>
<td></td>
</tr>
<tr>
<td>6.</td>
<td>Institutional overheads (Admin. Costs) maximum up to 10 % of the total project cost.</td>
<td>@ Rs.1000 per month subject to maximum of Rs. 2000/- payable to candidates during placement after training.</td>
</tr>
<tr>
<td>7.</td>
<td>Assistance during post placement settlement support for trainees.</td>
<td>Up to Rs 12100 + 2000 (Rs.14100)* or cost estimates in the project report whichever is less. The cost will be exclusive of monitoring charges of agencies like NIRD, NABARD etc.</td>
</tr>
<tr>
<td>8.</td>
<td>Total</td>
<td></td>
</tr>
</tbody>
</table>

*This will be maximum MoRD funding in each project and treated as 75% of the project cost and remaining 25% has to be contributed by the State Govt./PIA/other agencies as the case may be.

5. Appraisal of Projects

All projects of various organizations or PIAs are to be first appraised by the state government/national level coordinating agencies such as NIRD, NABARD etc. (or any other agency approved by the Department) as the case may be and routed through these agencies. In case of state specific projects, PAC can get the projects appraised by independent agency as well. State government /Monitoring Agency will certify the credentials of IA after examining their financial position, experience in implementing such projects, infrastructure facilities and other indicators before consideration of the proposal by PAC. The Project Screening and Project Approval Committee will consider
the projects received from state government and other agencies only after receipt of appraisal report and credential verification of PIA.

6. **Release of Funds**
   - On approval of the projects, funds are released to coordinating, Monitoring and fund routing Agencies in 3 installments i.e. 25:50:25.
   - The funds are routed through the states Government/Funds routing, Monitoring & coordination agencies to the PIA’s.

7. **Criteria for formulation of Special Projects:**

   The Special Project to be submitted to the Ministry of Rural Development should have the following criteria:

   (i) **Identification of project area**
   
   The Special Projects should be formulated/ posed particularly with focus on districts having high incidence of poverty. Ordinarily one district specific project shall be approved for one district at a time and, in exceptional cases, Project Approval Committee (PAC) may approve a second project for the district. However, under no circumstances there shall be more than two on going projects in a district. With a view to implement the programme on large scale multi state projects operating in poverty concentrated areas covering large number of districts will be encouraged.

   (ii) **Size of the Project Cost**
   
   The maximum investment, inclusive of all components and State share, under each Special Project should not exceed Rs.15.00 crore and the minimum project cost shall not be below Rs. 1.00 crore. Recurring expenditure such as creation of posts or vehicles or maintenance expenditure shall not be admissible in the projects. No cost escalation shall be permitted for the project. Escalations, if any, would be met by the State Government or the PIA as the case may be.

   (iii) **Coverage of BPL families**
   
   Attempt should be made to cover 100% of candidates living below poverty line (BPL) from rural areas under the Project. The number of rural BPL candidates to be covered should be specifically indicated in the Project Proposal along with proposed trades, districts, course duration etc. Further year wise targets may also be furnished in the proposal.

   (iv) **Formats for Project report:**
   
   The Ministry of Rural Development has outlined certain important points for formulation of Projects under the Special Project component of the SGSY that
may be seen at Annexure I. The Special Projects may be formulated based on these points.

(v) Implementing Agency

The State Government, Panchayati Raj Institutions or Semi Government Organizations at the State and National Level or Overseas Organizations at international level may pose projects under SGSY. Federations of SHGs of Swarozgaris assisted under SGSY may also pose suitable projects to the Ministry provided that the Federation is registered either under the Companies Act, The Society Registration Act, the Trust Act etc. SHGs who have been federated into, should have passed requisite gradation test from the appropriate authority and should have taken up some economic activities. The State or Central Government agencies may pose projects in partnership with Credible Non Government Organizations (NGOs), who have successfully demonstrated and implemented community based pro-poor initiatives. The multi state projects submitted directly to the Department by the implementing agencies will be referred by the Department for appraisal to any of the central fund routing /monitoring/ coordinating agencies to sponsor the project and act as fund routing agency.

III. Approval of Special Projects:

The Special Project duly approved and recommended by State or Central Level Agencies are to be submitted to the SGSY Division of the Ministry of Rural Development for consideration. To consider these proposals, the Ministry has a two-tier Committee system.

a) Project Screening Committee

The Projects submitted would be examined and considered by the Project Screening Committee (PSC) before they are submitted to the Project Approval Committee with its recommendation. The composition of the Project Screening Committee would be as under:

Joint Secretary (SGSY), D/o Rural Development Chairman
Director/Dy. Adviser (RD), Planning Commission Member
Director/Deputy Secretary (IFD), D/o Rural Development Member
Special Invitee/Expert Member
Director/Deputy Secretary/Joint Director dealing Member-Convenor

With the subject

The Committee would refer the screened project to be placed before the Project Approval Committee (PAC) for final approval after which the project will be sanctioned.
b) Project Approval Committee

The composition of the Project Approval Committee (PAC) would be as under:

- Secretary, M/o Rural Development Chair
- Adviser (RD), Planning Commission Member
- AS&FA, M/o Rural Development Member
- DG – CAPART Member
- Special Invitee (Expert) Member
- Joint Secretary (SGSY) Member-Convener

IV. The Project Screening and Project Approval Committee will consider projects as per guidelines which inter-alia prescribe the following conditions:

i) No stipend will be paid to the beneficiaries during the training period out of MoRD funds.

ii) The implementing agency will furnish a certificate to the effect that the beneficiaries trained and/or placed have not been assisted under any other Government programmes for similar skill development/training.

iii) A Web based monitoring system is to be established and a web site for this project with details regarding beneficiaries, training, income etc will have to be maintained by the PIA and beneficiaries tracked at least for one year.

iv) No capital assets, equipment or infrastructure would be supported with government funding under the project and only expenses on consumable and apportioned revenue expenses (rental etc.) on training related infrastructure will be permissible.

v) Implementing Agency will furnish an affidavit to the effect that the infrastructure or cost components included in the project proposal has not been funded or are proposed to be funded under any other government programmes/schemes before release of funds by the coordinating agency to IA.

vi) The BPL beneficiaries, who have completed 100 days (or maximum permissible days of work) under NREGA, should be given preference in selection of beneficiaries under the project.

V. Role of the State Rural Development Department:

State specific Special Project Proposals would have to be routed through the Rural Development/Panchayati Raj Department, which is in charge of implementation of the SGSY in the State. The responsibility of the Rural Development Department of the respective States would be to expedite formulation of appropriate project proposals, pre-appraisal and to indicate State’s share, monitoring framework and coordination with line
departments in the State/Centre that would ensure convergence of activities and their focus on BPL families. In case multi state projects, state government has to act as facilitator and provide requisite support in terms of infrastructure, resources, selection of beneficiaries etc to the extent possible and monitor the implementation and outcomes.

VI. Project Period:

Ordinarily, the projects are to be implemented within three years time. However, in case of process oriented and long gestation projects the period of implementation shall not exceed five years.

VII. Release of Funds:

1st Installment:

The first installment (i.e. 25% of the total Project cost) will be released after the approval of the project by PAC. The funds are routed through the state governments / fund routing /monitoring/ coordinating agencies to the PIA’s. The PIA has to enter into bipartite MoU with the fund routing agency in case of multi state projects. A sample format of MoU is attached at Annexure – III.

2nd Installment

The 2nd installment of 50 % of central share will be released upon the following:

(a) Utilization of 60% of the 1st installment and achievement of corresponding physical target.
(b) Submission of year-wise utilization certificates for at least 60% of the total available funds.
(c) Submission of year-wise audit reports of the funds utilized;
(d) Regular reporting of progress in the prescribed format and against the approved expenditure phasing;
(e) A certificate from the Implementing/Coordinating Agency that the project is being implemented as per the approved project proposal.

3rd Installment

The 3rd and final installment of 25% of central share will be released upon the following:

(a) Utilization of 90% of the total available funds and achievement of corresponding physical targets.
(b) Submission of year-wise utilization certificates for at least 90% of the total available funds;
(c) Submission of year-wise audit reports of the funds utilized;
(d) Regular reporting of progress in the prescribed format;
(e) A certificate from the Implementing/Coordinating Agency that the project is being implemented as per the approved project proposal.

(f) Before release of 3rd and final installment, it will be open to MoRD to have verification/evaluation of project progress by third party / independent agency.

VIII. Utilization of Interest earned on central release (s):

The interest amount accrued on Government releases, if any, shall be adjusted against the Government share of the Project cost at the time of release of the third and final installment.

IX. Releasing of Matching Share:

The State Government is required to release its corresponding matching share with in a fortnight after, obtaining the respective installment of the Central share. Where contribution from other sources are arranged in the project cost before claims 2nd/3rd installment from the Government PIA has to ensure that such contribution proportionate Government releases has been utilized.

X. Monitoring and review of the Project:

Monitoring and Review of the Projects sanctioned and implemented will be done in two levels i.e. at State Level and Central Level.

(a) State Level:

For monitoring and periodic review of the sanctioned project, a Committee at the State level headed by the Secretary (RD) of the State is to be constituted who shall have the responsibility of reviewing and monitoring the Project/s. In multi state projects, such committees will be constituted at the level of the coordinating, monitoring and fund routing agencies. The Committee shall take up monthly/quarterly review with the concerned line departments and DRDAs. The progress of the Project/s shall also be discussed in the District Level SGSY Committee / State Level SGSY Committee meetings.

(b) Central Level:

In the Central Level, the PSC has been entrusted for periodical review and monitoring of the special projects sanctioned under the scheme. However, PSC briefs PAC about the progress of the ongoing projects as and when necessary.

XI. Monitoring Format

To keep track of the progress of the projects, the Ministry has devised a monitoring format, and a copy of the same is enclosed at Annexure-II. The implementing authority is required to send quarterly progress reports of the ongoing project/s to the Ministry.
XII. **Audit:**

(i) The Ministry of Rural Development retains the right to carry out internal audit of funds and financial of the project, if deemed necessary.

(ii) Financial audit is to be carried out by the Chartered Accountant of PIA or any other authority appointed by the State Government/Coordinating Agency. The audit report together with action taken on the auditor’s observations and physical progress under the project shall be furnished at the time of release of 2nd / 3rd installment of Central funds.

XIII. **Submission of progress reports:**

(i) The implementing agency/coordinating agency shall submit the progress report of the project by 15th of the month succeeding every quarter in the format for monitoring enclosed at Annexure-II. Failure to furnish the progress report would make the implementing/coordinating agency liable to refund of the Central funds released for the Project along with interest.

(ii) It shall be open to the Ministry of Rural Development to prescribe such conditions, as it deems fit, from time to time to ensure proper execution of the project.

XIV. **Project Completion**

Documentation is an inherent part of the project along with video recording giving the status of beneficiaries before and after the project. It should cover the details of deliverables as indicated in the project and achievements made against these deliverables. The completion report of the project should be made available by the IA/ Coordinating agency to MoRD within three months from the date of project completion along with up-to-date utilization certificate and audit reports of 3rd and final installment and funds that remained unspent at the time of release of 3rd and final installment. After completion of project, IA has to keep track record of beneficiaries at least for one year and also maintain on the website accessible to all.
Check list for Preparation of Proposals in Placement based Skill Development Projects

I. Basic Information

1. Name of the Organisation, its full postal address, email ids and telephone number
2. Profile of Project proposer - Names of the Head of Organisation and Project Co-ordinator, their background, academic qualifications, experience, previous responsibilities held, duration in present organization and nature of duties handled
3. If the organization is a part or sister concern of a larger entity, please give details
4. Details of specialization of the organization, its primary activities, projects handled and duration of exposure to the subject
5. Is the project being sponsored by any state government or any central government /semi-government organizations?

II. About the Project

1. Proposed State(s), district(s) where the skill development project is to be implemented
2. Project period – 3 years, 5 years - specify
3. Has a preliminary survey of beneficiaries, skill needs & suitability to the local rural population been carried out or assessed? If yes, give details
4. Mode of selection of beneficiaries proposed to be followed - are you aware of the BPL lists which are available with the DRDAs?
5. Trade(s) in which the skills are proposed to be imparted to the rural youth – please list out the areas.
6. Sector(s) where placement is to be secured for the beneficiaries – list of potential companies, institutions and other placement providers. What is
the basis for identification of placement sector – mention any study or report published / referred/carried out

7. Whether involvement of the industry/placement provider has been obtained in designing the project? Whether the training is industry driven, i.e. the placement providers have a financial stake and are participating in the training content of the project. If so, the contribution of the industry may be clearly brought out in the proposal

III. Project Deliverables

1. Number of beneficiaries being targeted for the project and the district-wise break up projected

2. Skill (trade) -wise matching of number of beneficiaries – give approximate picture

3. Duration of training – in case of multiple activities, please indicate sector-wise duration for each batch, batch size etc.

4. Interaction during the training period with the ultimate placement providers – give details of proposed manner

5. Phasing of number of placements over the project period - give numbers

6. Total number of placements that would be achieved by the end of the project period

7. Monitoring mechanism in place to track beneficiaries – whether any website is proposed for the project, and individual beneficiary profile would be maintained

IV. Cost of the Project

1. Please indicate the component-wise expenditure likely to be incurred for the project like beneficiary mobilization, training costs including cost of hiring of centres, training aids, consumables, boarding costs for trainees, training kits, lodging costs for trainees (wherever and if applicable), trainer related costs, food and to and fro transport cost and assessment, certification, placement linkages, MIS, monitoring, tracking, administrative expenditure etc. (expenditure on setting up of training infrastructure is not admissible from the Ministry’s share)
2. Indicate total cost with details of industry contribution and own contribution

3. If the project is being referred or proposed by a State Government, indicate state matching share of 25%.

V. Summary or any Additional Information that may be relevant to the Project proposal – please elaborate

**********
MAJOR POINTS WHICH MAY BE KEPT IN MIND WHILE
FORMULATING A SPECIAL PROJECT UNDER SGSY

1. Name of the Project
2. Conceptual Background of the Project and features which make it special for
sanction under Special Project of SGSY and not under normal SGSY. Possibility
of replicability of the Project.
3. Project Objective
4. Strategy
5. Project period and action Plan (year-wise) for implementation of the Project.
6. Area of the Project and Area Profile (how the key is activity suitable for the area
and the people).
7. Key activities to be taken in the project
8. Beneficiaries’ details: in terms of numbers/categories and their linkage with the
activities taken in the project.
9. Implementing Agency: DRDA or a body of the SHGs, or if it is a Project which
involves more than one DRDA than the name of the DRDA to whom the funds
would be released for implementation. If it is a project which involves more than
one state, the name of the coordinating, monitoring and fund routing agency at the
central level.
10. Role of line departments/NGOs/PRIs
11. Bench Mark Survey for indicators on which the success of the project would be
monitored and evaluated
12. Integration with other on-going Rural Development Programmes in the area and
arrangements for dove-tailing funds from non-SGSY resources.
13. Technical know-how and domain expertise if any and what arrangements have
been made for flow of technical know-how like Memorandum of understanding
(MoU) signed etc. and arrangement and tie ups for placements.
14. Training component Existing skill, training institutes identified funds
arrangements, duration of training etc. and proposed trades and duration of
training.
15. Benefits/Impact of the Project: in terms of increase in income .Year wise income
growth identified parameters etc.
16. Risk factors affecting the Project objectives of increase in income etc.
17. Modalities to minimize risks.
18. Criteria for monitoring and evaluation of Project: mention various parameters on
which the project is to be monitored and evaluated. How it will be monitored after
the completion of the Projects?
19. State’s or other sources’ commitment to match the share of the project cost.
20. Technical scrutiny and technical feasibility of the Project (Please indicate whether
the concerned technical department of the State Government has vvetted the Project.
If yes, the comments thereof).
21. Economic appraisal of the Project (the Project may be got apprised and results of
the appraisal indicated appropriately in the Proposal) i.e. viability of the project.
22. Estimated cost (Please indicate the Central, State and IA/Industry/employer share.
The estimated cost should indicate the total cost including all contributions.
23. Whether the Project or part thereof has been submitted to any other agency? If yes,
the results thereof. If the project or its part had been rejected the reasons for the
same be indicated.

SAMPLE FORMAT

Memorandum of Understanding

This MoU is entered into at Hyderabad on this _________ day of _________ 2009 (hereinafter called MoU.).

Between

National Institute of Rural Development (NIRD), Rajendranagar, Hyderabad – 500030 regd. No229 of 1965, represented by ………………….. W/o ……………….. aged about _______ years, Registrar & Director (Admin), NIRD, hereinafter called the First Party, which term and expression shall mean and include, unless repugnant to the context, its successors, assignees, administrators of the First Part (The Registrar, NIRD is authorized to sign the MoU’s as per Act.)

And

(…………Name of PIA………………………..), represented by --------------- aged about ------ years (organization name)……….., which term and expression shall mean and include, unless repugnant to the context, its successors, assignees, administrators of the Second Part.

(Name of PIA…………………………………………) is a (nature of organisation) organization having its Head Office at …………………………………………………., hereinafter referred to as " ……….. " (which expression shall unless repugnant to the context or meaning thereof includes its successor and assignees).

All the Parties ‘NIRD’ and “(abbreviated Name of PIA)” are collectively referred to as “The Parties”
Whereas

1. Ministry of Rural Development, Government of India hereinafter referred to as "MoRD" has in terms of its letter No.…………………………. dated ……………… (Annexure- I) agreed to provide financial assistance under Special Project under Swarnjayanti Gram Swarojgar Yojana (SGSY) by way of Grant-in-aid from Central Government to be release in 3 installment in the ratio of 25:50:25 for implementation of the "(.........name of project……………….)" and Placement of …………. rural BPL Youth at a cost of Rs. ……….. lakh which is funded by the Central Share and PIA’s contribution………. ……….( abbreviated Name of PIA) has been designated as Programme Implementation Agency subject to the terms and conditions hereunder:
